

Your GuidanceResources® Financial Benefits

“The financial pros at GuidanceResources offer objective and impartial information on any money issue, from creating a budget to reaching long-term financial goals—and everything in between.”

Our on-staff financial experts can help you with:

- › Managing personal financial challenges
- › Credit cards and debt management
- › Budgeting
- › Tax questions
- › Financing for college
- › Retirement planning
- › Estate planning
- › Real estate questions
- › Investment options
- › Mortgages, loans and refinancing

Get the help you need. Here's how:

Just call your GuidanceResources toll-free number. You'll be connected to a GuidanceConsultantSM who will talk with you about your specific situation and schedule a phone

appointment for you with one of our financial experts. Our in-house staff includes Certified Public Accounts (CPAs), Certified Financial Planners (CFPs) and other professionals who are exclusively dedicated to providing financial information by phone.

And because our experts are not associated with any financial institution, you are assured that they will provide impartial and objective information on your money topics.
